Description

This is the first right hand drive Pagani Huayra Roadster built and delivered in the UK out of a total 100 cars worldwide and being one of only 5 UK RHD cars. This car is very special indeed, finished in two-tone bodywork in Benny Matte with V front hood split in exposed transparent Carbon Fibre. The wheels are finished in Huayra style anodizzazione highly polished alloy, the exterior trim is finished in Aluminium finished in gloss black. The Italian flag is hand painted on the exposed Carbon Fibre wing mirrors. The rear bumper is in fully exposed transparent Carbon Fibre. The interior finish is exquisitely finished in two tone Grecale leather and Anthracite Alcantara with contrast diamond stitching in Grecale. The interior trim is in exposed transparent Carbon Fibre with aluminium trim in gloss black with bespoke black dials. This car is one of the rarest hyper-cars in the market and one of the only manufactures to cater for the right hand market.
