Description

The celebration of winning DTM - C63s Edition 1 Motorsport 510bhp. 4.0 litre twin turbo V8. 0-60 in 3.9 seconds. Carbon Ceramic brakes. An exhaust note crafted by Zeus himself. A smiling driver in the front seat. The C63 S Motorsport edition. Built in celebration of Mercedes winning the 2015 DTM drivers championship, it takes the standard C63 and lets AMG have some fun with the styling and the internals. Normally adorned with yellow decals to denote the variation from the standard car, this example we have at Kaaimans had the decals removed at the factory as the owner wanted the car to be more understated. AMG have given this car the key characteristics to make it more than a standard AMG Model, the exhaust is tuned with pops and bangs when you let off the throttle, the 0-60 time is 0.1 seconds quicker and the whole overarching driving experience leaves you smiling. This car is specced with: Designo Selenite Grey Magno paint, Nappa black leather, Mercedes AMG exterior kit, Heads up display, Motorsport edition package, Deletion of yellow decals, RXR Alloys with silver edge, Matte paint finish.
