### Description

Aimed at capturing the spirit of bespoke urban luxury, the Aston Martin Cygnet was created as a hand-finished city car for Aston's most discerning clients. Today, it has become one of the brand's most unusual and collectible models — and this example is among the rarest of them all. Believed to be one of just 150 UK-supplied Cygnets, and one of only 6 manual-transmission cars though numbers are not confirmed, this 2011 example represents a unique opportunity to own a genuinely scarce modern Aston Martin. Finished in White Pearl over Obsidian Black Leather, it retains the unmistakable craftsmanship, detailing and individuality that make the Cygnet increasingly sought after by collectors. **PERFORMANCE & DRIVETRAIN:** 1.33-Litre Inline-4 Engine 6-Speed Manual Transmission — exceptionally rare configuration Front-Wheel Drive Responsive, lightweight, and ideal for city driving Factory-tuned suspension for improved refinement and control Stainless Steel Exhaust System (Gives a Sporty Tone) **EXTERIOR SPECIFICATION:** Finished in White Pearl — clean, elegant, and contemporary Signature Aston Martin grille and hand-crafted body detailing Colour-coded bumpers and mirrors Slim-line headlights & modern LED rear lamps 16" Alloy Wheels in Gunmetal Grey with a Diamond Cut finish Compact proportions with unmistakable Aston Martin presence Front Paint Protection Film **INTERIOR SPECIFICATION:** Obsidian Black Leather Interior — hand-stitched with Aston Martin craftsmanship Satin aluminium trim accents | Heated Front Seats Leather-wrapped dashboard & centre console Premium carpeting & stitched door panels Air conditioning | High-quality audio system Leather Multi-function steering wheel Compact yet surprisingly luxurious cabin space **FEATURES & EQUIPMENT:** Keyless Entry & Start Auto Electric Windows & Mirrors ABS, Stability Control & Traction Control Rear Parking Sensors Multiple Airbags ISOFIX Rear Seat Mounts 2x Brushed Aluminium Aston Martin Keys **ADDITIONAL DETAILS:** Year: 2011 Model: Aston Martin Cygnet (Manual) Transmission: 6-Speed Manual Drivetrain: FWD Colour: Metallic White Interior: Black Leather Rarity: 1 of ~150 UK cars, 1 of just ~6 UK manuals Condition: Excellent Example Ownership: 5 Previous Mileage: 17,000m Service History: Full history, meticulously maintained Price: £39,975 This 2011 Aston Martin Cygnet Manual is not just a stylish urban runabout — it is a genuinely rare modern Aston Martin, increasingly recognised by collectors for its scarcity, craftsmanship, and quirky charm. With its manual gearbox, UK provenance, and Metallic White finish, it stands among the most desirable examples of the model. A unique opportunity to acquire one of the rarest Aston Martins ever produced.
