Description

Created as a no-compromise expression of Aston Martin's motorsport DNA, the 2025 Aston Martin Valiant stands as one of the most exclusive and driver-focused machines ever to wear the wings. Limited to just 38 units worldwide, the Valiant is a highly bespoke, track-oriented evolution of the Victor and Valkyrie philosophy—developed with direct input from Formula 1 World Champion Fernando Alonso, whose personal demands for precision, engagement, and mechanical purity shaped the project from its earliest sketches. This example, finished in Crimson Red Metallic with Red Carbon Fibre aerodynamic components, presents the Valiant at its most dramatic and sculptural. A celebration of lightweight engineering, analogue feel, and extreme performance, it embodies the pinnacle of Aston Martin's Q by Aston Martin special-vehicle craftsmanship. **PERFORMANCE & ENGINEERING:** - Twin-Turbocharged V12 Engine – hand-built, motorsport-inspired - Approx. 740+ BHP (factory estimates for Valiant spec) - 6-Speed Manual Transmission – engineered to Alonso's preference for total driver engagement - Rear-Wheel Drive -Lightweight Carbon Fibre Bodywork & Aero Package - Multimatic DSSV Track-Optimised Suspension System - Motorsport Derived Titanium Exhaust System - Advanced Cooling & Downforce Solutions inspired by AMR endurance racing - Bespoke Carbon Ceramic Braking System Alonso personally collaborated with Aston Martin's engineering team, shaping everything from steering feel and pedal weighting to aerodynamic balance and cockpit ergonomics—resulting in a hyper-focused, purpose-built machine unlike anything else in the brand's modern lineup. **EXTERIOR SPECIFICATION:** - Crimson Red Metallic Paintwork – exclusive Q by Aston Martin finish - Satin Red Carbon Fibre Exterior Pack (front splitter, side vents, diffuser, front grille) - Satin Pale Gold Painted Pin-striping to Lower Area - Full Satin Paint Protection Film (Fitted by EDP) - Ultra-lightweight forged Magnesium wheels with Satin Red Carbon Aero Discs - High-performance aero sculpting throughout - Dark Finished Quad titanium exhaust System (Bespoke to Valiant) A look inspired by endurance competition and refined by Aston's most advanced design and aerodynamics division. **INTERIOR SPECIFICATION:** - Chancellor Red Leather - Exclusive by Q Extended Leather - Lightweight Motorsport Cabin - Bespoke Black Alcantara & Satin Red Carbon Fibre interior trim - Satin Red Lightweight Carbon Fibre bucket seats (Heated, Electric) - Chancellor Red contrast stitching & Q-specified embroidery - Exposed Satin Red Carbon Fibre transmission tunnel & door cards - Chancellor Red Leather Steering Wheel with Brushed Aluminium - Brushed Titanium Lightweight Gear Knob with Exposed Gear Linkages - Integrated Roll Cage in Gunmetal with Satin Red Carbon Fibre Plaque - Minimalist, race-derived digital instrument cluster - Integrated harness points for FIA racing

belts - Lightweight carpeting & reduced insulation for purist feedback The interior embodies Fernando Alonso's desire for maximum focus and minimal distraction—raw, precise, and deeply connected. TECHNOLOGY & SAFETY: - Motorsport-grade traction and ABS systems - Apple CarPlay & Android Auto - Bespoke drive mode calibration (Sport, Sport Plus, Track) - Race-optimised cooling and aero management - Advanced telemetry system - Full carbon ceramic brake package ADDITIONAL DETAILS: Year: 2025 Model: Aston Martin Valiant Mileage: 500m Exterior: Crimson Red Metallic (Satin PPF) Interior: Red Leather with Red Carbon Fibre Market: UK Supplied and Registered (LHD) Rarity: 1 of only 38 examples worldwide Development: Created with direct involvement from Fernando Alonso Transmission: 6-Speed Manual Condition: As-New (Delivery Miles) Price: £X,XXX,XXX (POA) The 2025 Aston Martin Valiant represents a monumental moment for the brand: - an ultra-exclusive production run of just 38 cars, - personally shaped by Fernando Alonso, - powered by a hand-built twin-turbo V12, and crafted with a focus on uncompromising driver connection. Finished in Crimson Red Metallic with Red Carbon Fibre, this example showcases one of the most extreme, rare, and collectible Aston Martins ever produced—a future icon for the most discerning collectors.
