### Description

Aggressive, athletic, and unmistakably Lamborghini — the 2024 Urus Performante takes the world’s first Super SUV to even greater heights. Combining race-bred dynamics with everyday practicality, the Performante is lighter, sharper, and more powerful than the standard Urus, redefining what an SUV can be. Finished from the factory in Grigio Keres Metallic with a Matte PPF, this example makes an instant statement. Beneath the vibrant exterior lies a highly focused machine — engineered with carbon fibre components, an enhanced chassis setup, and the unmistakable roar of Lamborghini’s twin-turbo V8.
