Previous Owners	N/A
Registration	OE11YJB

Description

The 2011 Ferrari 599 GTO represents the ultimate expression of front-engined V12 performance—an uncompromising, road-legal evolution of the 599XX programme and one of the most visceral modern Ferraris ever produced. As a limited-production model, the 599 GTO blends extreme performance with rarity and raw driving engagement, delivering a naturally aspirated V12 experience that is unlikely to be repeated. This example is finished in the iconic Rosso Corsa, contrasted by a highly distinctive Grigio Silverstone Opaco (matte) roof, creating a striking and purposeful aesthetic. Inside, the car is specified with a Charcoal Leather and Alcantara Interior, further enhanced by Carbon Fibre Lightweight Bucket Seats, a Roll Cage, and 4-point Racing Harnesses—emphasising its track-focused character. **PERFORMANCE & DRIVETRAIN:** 6.0L Naturally Aspirated V12 (Shared with the Ferrari Enzo) 670 HP | 620 Nm Torque 0–62 mph in 3.3 Seconds | Top Speed: 208 mph 6-Speed F1 Superfast Automated Manual Gearbox Rear-Wheel Drive F1-Trac Traction Control System Carbon Ceramic Braking System **EXTERIOR SPECIFICATION:** Rosso Corsa Paint – Ferrari’s Signature Racing Colour Grigio Silverstone Opaco Roof – Rare Matte Contrast Finish Lightweight Composite Body Panels Aerodynamic Enhancements Derived from 599XX Programme Functional Air Vents & Rear Diffuser Forged Alloy Wheels in Grigio Opaco (Matt Grey) Carbon Ceramic Brakes with Performance Calipers **INTERIOR SPECIFICATION:** Charcoal Leather & Alcantara Interior Carbon Fibre Racing Bucket Seats Integrated Roll Cage 4-Point Racing Harnesses Extensive Carbon Fibre Trim Driver-Focused Cockpit with Minimalist Weight-Saving Approach Aluminium Pedals & Motorsport-Inspired Details **TECHNOLOGY & HANDLING:** Manettino Drive Mode Selector Magnetorheological Suspension System High-Performance ABS & Stability Control Advanced Vehicle Dynamics Systems Derived from Motorsport **ADDITIONAL DETAILS:** Year: 2011 Model: Ferrari 599 GTO Transmission: 6-Speed F1 Superfast Drivetrain: Rear-Wheel Drive Exterior: Rosso Corsa with Grigio Silverstone Opaco Roof Interior: Charcoal Leather & Alcantara with Carbon Racing Seats Specification: Roll Cage & 4-Point Harnesses Condition: Collector-Grade Production: Limited Series Model With its 8,400 rpm V12, brutally fast single-clutch gearbox, and motorsport-derived chassis, the 599 GTO is widely regarded as one of Ferrari’s most intense and rewarding driver’s cars. This uniquely specified example—combining classic Rosso Corsa with a rare matte roof and a highly track-oriented interior—offers an exceptional opportunity for collectors seeking rarity, drama, and uncompromising performance.
