Description

The Rolls-Royce Ghost Series II EWB represents the perfect combination of Rolls-Royce's traditional craftsmanship and modern grand touring ability, offering exceptional levels of luxury, refinement and effortless performance. The Extended Wheelbase model takes the already spacious Ghost and adds further rear passenger accommodation, creating an environment designed around travelling in first-class comfort. This 2017 example is a particularly desirable Series II EWB, combining the refined 6.6-litre twin-turbocharged V12 with an extended wheelbase, beautifully appointed rear cabin and the effortless driving characteristics expected of a Rolls-Royce. With its imposing presence, hand-crafted interior and exceptional attention to detail, the Ghost EWB remains one of the most accomplished luxury saloons of its generation. PERFORMANCE & DRIVETRAIN: 6.6-Litre Twin-Turbocharged V12 563 BHP 820 Nm Torque 0–62 mph in approximately 5.0 seconds Top Speed: 155 mph 8-Speed ZF Automatic Transmission Rear-Wheel Drive Satellite Aided Transmission Dynamic Stability Control Self-Levelling Air Suspension Electronic Damper Control Comfort-Oriented Chassis Calibration The Ghost's twin-turbocharged V12 delivers its considerable performance with remarkable smoothness, providing effortless acceleration rather than the urgency associated with a conventional performance car. The combination of enormous torque and an 8-speed automatic transmission allows the Ghost to glide forward almost silently.
