Previous Owners	2
Registration	LG59JHJ

Description

The 2009 Mercedes-Benz SL65 AMG Black Series stands as one of the most extreme road cars ever produced by AMG—an uncompromising fusion of brutal twin-turbocharged performance, lightweight engineering, and aggressive motorsport-inspired design. Far removed from the standard SL, the Black Series was re-engineered with a widened track, fixed roof, extensive carbon fibre bodywork, and dramatically enhanced power output, resulting in a machine that delivers supercar-rivalling performance with unmistakable AMG character. This particular example is exceptionally rare and highly collectible—one of just 10 UK-supplied right-hand-drive cars, and the only example specified from factory in Designo Magno (matte) Black Paintwork, a special-order finish costing in excess of £7,000 when new. **PERFORMANCE & DRIVETRAIN:** 6.0L Twin-Turbocharged AMG V12 670 HP | 1,000 Nm Torque (Electronically Limited) 0–62 mph in 3.8 Seconds | Top Speed: 199 mph (Limited) 5-Speed AMG Speedshift Automatic Transmission Rear-Wheel Drive Limited-Slip Differential Track-Focused Suspension Setup **EXTERIOR SPECIFICATION:** Designo Magno (Factory Matte) Black Paint – Ultra-Rare Special Order Wide-Body Conversion with Flared Arches Extensive Carbon Fibre Bodywork Fixed Carbon Fibre Roof Vented Bonnet & Enlarged Air Intakes Hydraulically Lifting Rear Spoiler AMG Lightweight Alloy Wheels **INTERIOR SPECIFICATION:** Grey Alcantara & Black Exclusive Nappa Leather Performance Interior Carbon Fibre Trim Package AMG Performance Steering Wheel Lightweight Carbon Fibre Bucket Seats Contrast Stitching & AMG Branding Driver-Focused Cockpit with Motorsport Influence **TECHNOLOGY & HANDLING:** ESP with Performance Modes High-Performance AMG Braking System Adjustable Coilover Suspension Enhanced Cooling Systems for Track Capability **ADDITIONAL DETAILS:** Year: 2009 Model: Mercedes-Benz SL65 AMG Black Series Steering: Right-Hand Drive (RHD) Production: Ultra-Limited – 1 of 10 UK RHD Examples Paintwork: Factory Designo Magno Black (Special Order – £7,000+ Option) Uniqueness: Only UK Example in This Specification Transmission: AMG Speedshift Automatic Drivetrain: Rear-Wheel Drive Condition: Collector-Grade Example Provenance: Highly Desirable UK-Supplied Car With its menacing wide-body stance, immense V12 torque, and extreme rarity, the SL65 Black Series occupies a unique position in modern AMG history. This one-of-one UK specification example—finished in factory matte black—represents a rare

opportunity to acquire one of the most outrageous and collectible performance cars of its era.
