Description

The 2010 Mercedes-Benz SLS AMG Gullwing marked the beginning of a new era for AMG — the first car developed entirely in-house by the performance division and an instant modern classic. Inspired by the legendary 300SL Gullwing of the 1950s, the SLS combined dramatic styling, naturally aspirated V8 power, and unmistakable presence into one of the most charismatic supercars of its generation. Finished in sleek Black, this example perfectly complements the SLS's long-bonnet proportions and iconic gullwing doors, creating a timeless and highly desirable specification. **PERFORMANCE & DRIVETRAIN:** 6.2-Litre Naturally Aspirated AMG V8 (M159) 571 PS (563 BHP) 650 Nm Torque 0–62 mph in approx. 3.8 seconds Top Speed: 197 mph 7-Speed AMG SPEEDSHIFT DCT Transmission Rear-Wheel Drive Dry Sump Lubrication Aluminium Spaceframe Chassis The hand-built M159 V8 is regarded as one of AMG's greatest engines — delivering razor-sharp throttle response, immense character, and an unforgettable soundtrack. **EXTERIOR SPECIFICATION:** Black Exterior Paintwork Signature Gullwing Doors Long-Bonnet / Cab-Rearward Supercar Proportions AMG Lightweight Alloy Wheels LED Intelligent Light System Quad AMG Exhaust System Retractable Rear Spoiler Aluminium Body Construction The SLS combines retro inspiration with modern aggression, resulting in one of the most recognisable silhouettes of the modern era. **INTERIOR & CRAFTMANSHIP:** Full Black/Cream Nappa Leather Interior AMG Performance Steering Wheel Aluminium & Carbon Fibre Interior Trim COMAND Infotainment System Dual-Zone Climate Control Premium Sound System AMG Instrument Cluster The cockpit blends luxury with motorsport-inspired detailing, placing the driver at the centre of the experience. **TECHNOLOGY & ASSISTANCE:** COMAND Navigation System Front & Rear Parking Sensors Reversing Camera Cruise Control Electronic Stability Programme (ESP) Adjustable AMG Driving Modes **ADDITIONAL DETAIL:** Year: 2010 Model: Mercedes-Benz SLS AMG Gullwing Exterior Colour: Black Engine: 6.2L Naturally Aspirated AMG V8 Transmission: 7-Speed DCT Automatic Drivetrain: Rear-Wheel Drive Mileage: 26,000 miles Owners: 4 Previous Condition: Excellent Price: £259,975 The Mercedes-Benz SLS AMG Gullwing is already regarded as one of the defining modern classics of the AMG era — the last naturally aspirated flagship AMG supercar and one of the final analogue-feeling performance icons.
