Description

The 2010 Porsche 911 GT3 RS (997.2) is widely regarded as one of the finest analogue driver's cars ever produced. Combining a naturally aspirated Mezger flat-six, a six-speed manual gearbox, and Porsche Motorsport engineering, the GT3 RS delivers one of the purest and most rewarding driving experiences of the modern era. This exceptional example is made even more significant by its extraordinary provenance. Finished in Paint to Sample (PTS) Guards Red with Weiss Gold RS Decals, it is believed to be the only UK-delivered 997.2 GT3 RS specified in PTS Guards Red, making it one of the rarest and most desirable examples in existence. Supported by a Full Official Porsche Service History, this collector-grade GT3 RS offers an incredibly rare opportunity to acquire a uniquely specified example of one of Porsche's most celebrated models.
