Description

The Abarth 695 Biposto is one of the most extreme and uncompromising hot hatches of its era. Developed as a road-legal interpretation of Abarth's motorsport philosophy, the Biposto strips away unnecessary weight and adds serious performance hardware to create a genuinely unique driving experience. The 695 Biposto Record takes that formula even further, celebrating Abarth's record-breaking heritage with a distinctive specification and an even greater sense of exclusivity. Compact, lightweight and unapologetically focused, it offers the kind of raw, mechanical character that has become increasingly rare in modern performance cars. **PERFORMANCE & DRIVETRAIN:** 1.4-Litre Turbocharged T-Jet Engine 190 PS (187 BHP) 300 Nm Torque 0–62 mph in approximately 5.9 seconds Top Speed: 143 mph 5-Speed Manual Transmission with Short Shifter Front-Wheel Drive Mechanical Limited-Slip Differential Koni Adjustable Dampers Brembo High-Performance Braking System Lightweight Construction With its low weight and aggressive mechanical specification, the Biposto delivers an exceptionally involving driving experience. By stripping the 500 back to its essentials and incorporating genuine motorsport-inspired engineering, Abarth created something that feels closer to a road-legal racing car than a conventional performance hatchback. With 190 PS, a manual gearbox, limited-slip differential, lightweight construction and a dedicated two-seat cabin, the Biposto offers an extraordinary level of driver engagement from such a small package. The Record edition adds further exclusivity and celebrates Abarth's long-standing association with performance and record-breaking achievements.
