Registration	MX60HFK

Description

Few modern Porsche 911s occupy the same place in enthusiast folklore as the 997.2 GT2 RS. Created as the ultimate rear-wheel-drive evolution of the 997 generation, the GT2 RS combined a ferocious twin-turbocharged Mezger flat-six with extensive weight reduction, motorsport-derived chassis technology and an uncompromising approach to performance. This exceptional example is particularly desirable, believed to be one of just 19 UK-supplied cars, with only a small number of those understood to have been specified with the Clubsport Package. Having covered just 5,000 miles, it represents an exceptionally rare opportunity to acquire one of Porsche's most sought-after modern GT cars. The car has also just undergone a major service and received a new set of Michelin Pilot Sport Cup 2's, ensuring it is ready to be enjoyed. With an incredibly desirable specification and substantial factory equipment, this GT2 RS presents an outstanding proposition for both the enthusiast and serious Porsche collector. **PERFORMANCE & DRIVETRAIN:** 3.6-Litre Twin-Turbocharged Mezger Flat-Six 620 PS (612 BHP) 700 Nm Torque 0–62 mph in approx. 3.5 seconds 0–100 mph in approx. 7.4 seconds Top Speed: 205 mph 6-Speed Manual Transmission Rear-Wheel Drive Porsche Active Suspension Management (PASM) Porsche Torque Vectoring Mechanical Limited-Slip Differential Dynamic Engine Mounts Carbon Ceramic Braking System The legendary Mezger engine is the heart of the GT2 RS. With enormous turbocharged torque, an explosive power delivery and a six-speed manual gearbox, the car demands respect while delivering an extraordinarily rewarding driving experience. **CLUBSPORT SPECIFICATION:** This example benefits from the highly desirable Clubsport Package, a specification shared by only a small number of UK-supplied GT2 RS examples. Factory Clubsport Package Lightweight Motorsport-Inspired Specification Steel Roll Cage Six-Point Racing Harnesses Fire Extinguisher Carbon Fibre Racing Seats Alcantara Interior Detailing Motorsport-Focused Equipment The Clubsport specification further emphasises the GT2 RS's connection to Porsche Motorsport, making an already rare car considerably more desirable. **EXTERIOR SPECIFICATION:** Paintwork in Gloss Black GT2 RS Lightweight Aerodynamic Bodywork 'GT2 RS' Side Decal Large Fixed Rear Wing Matte Finish Carbon Fibre Bonnet Matte Finish Carbon Fibre Mirrors Lightweight Construction Gloss Black Centre-Lock Alloy Wheels Porsche Ceramic Composite Brakes (PCCB) Titanium Exhaust System Motorsport-Inspired Exterior Detailing The GT2 RS's unmistakable bodywork was designed around function, with

extensive aerodynamic development and weight-saving measures giving the car an aggressive yet purposeful appearance.

ADDITIONAL DETAILS: Year: 2010 Model: Porsche 911 GT2 RS (997.2) Mileage: Only 5,000 Miles UK Supply: 1 of just 19 UK-supplied cars Specification: Clubsport Package Engine: 3.6-Litre Twin-Turbocharged Mezger Flat-Six Power: 620 PS / 612 BHP Transmission: 6-Speed Manual Drivetrain: Rear-Wheel Drive Brakes: Porsche Ceramic Composite Brakes Recent Work: Major Service at Porsche Nottingham & New Michelin Tyres Specification: Massive Factory Specification Condition: Exceptional Price: £794,975

The 997.2 Porsche 911 GT2 RS represents the absolute pinnacle of Porsche's analogue, rear-wheel-drive 911 philosophy. Its combination of the legendary Mezger engine, 620 PS, manual transmission, lightweight construction and uncompromising chassis has cemented its position as one of the most desirable modern Porsches. This example is made considerably more significant by its rarity. As one of only 19 UK-supplied cars, and one of only a fraction of that understood to have been ordered with the Clubsport Package, it occupies an exceptionally special position within the 997.2 GT2 RS production run. With just 5,000 miles, a massive specification, and having just received a major service and new tyres, this is an opportunity to acquire a genuinely exceptional example of one of Porsche's most collectible modern GT cars.
