Description

The Ferrari 812 GTS represents the ultimate expression of Ferrari's front-engined V12 grand touring philosophy, combining the extraordinary performance of the 812 Superfast with the freedom of open-top motoring. With its retractable hardtop, naturally aspirated V12 and rear-wheel-drive chassis, the 812 GTS offers a driving experience that is both breathtakingly fast and remarkably sophisticated. This 2020 Ferrari 812 GTS is presented with a highly desirable factory specification, combining a wealth of luxury, technology and carbon-fibre options with the unmistakable presence of Ferrari's flagship V12 spider. The result is an exceptional open-top Ferrari that delivers supercar performance while remaining perfectly suited to long-distance touring.
