Description

The Ferrari 458 Speciale represents the ultimate evolution of Ferrari's celebrated 458 platform, taking the already exceptional 458 Italia and transforming it into a sharper, lighter and more focused performance car. Developed with Ferrari's motorsport expertise, the Speciale combines a naturally aspirated, high-revving V8, extensive weight-saving measures and sophisticated aerodynamic technology to create one of the most exhilarating road-going Ferraris of its generation. This 2014 Ferrari 458 Speciale offers the opportunity to own one of Ferrari's most sought-after modern V8 models — a car increasingly regarded as a landmark in Ferrari's naturally aspirated era. **PERFORMANCE & DRIVETRAIN:** 4.5-Litre Naturally Aspirated V8 605 cv / 597 BHP 540 Nm Torque 0–62 mph in approximately 3.0 seconds 0–124 mph in approximately 9.1 seconds Top Speed: 202 mph 7-Speed F1 Dual-Clutch Transmission Rear-Wheel Drive Side Slip Angle Control (SSC) E-Diff3 Electronic Differential Ferrari F1-Trac Traction Control Magnetorheological Suspension High-Performance Carbon Ceramic Brakes The 458 Speciale's V8 is one of Ferrari's great naturally aspirated engines, revving to 9,000 rpm and delivering an exceptionally immediate and linear power delivery. **LIGHTWEIGHT & AERODYNAMIC ENGINEERING:** The Speciale was developed with a relentless focus on performance, with Ferrari reducing weight and introducing sophisticated active aerodynamic systems. It represents the culmination of Ferrari's naturally aspirated V8 philosophy before the introduction of turbocharging to the company's mid-engined V8 range. With its 605 cv naturally aspirated V8, 9,000 rpm redline, lightweight construction, active aerodynamics and sophisticated electronic chassis systems, the Speciale delivers an extraordinary combination of speed, precision and emotion. For collectors and enthusiasts alike, the 458 Speciale has become particularly desirable for its combination of analogue character and modern performance, making it one of the most compelling Ferraris of its generation.
