### Description

The Aston Martin Vanquish S represents the ultimate evolution of Aston Martin's naturally aspirated V12 GT philosophy, combining breathtaking performance with handcrafted luxury and the unmistakable design language that has defined the marque for generations. This 2017 example is a particularly desirable Vanquish S, benefiting from Aston Martin's uprated 6.0-litre naturally aspirated V12, revised suspension and steering calibration, enhanced aerodynamics and a more sporting character than the standard Vanquish. With its beautifully sculpted carbon-fibre bodywork, luxurious handcrafted interior and sonorous V12 soundtrack, the Vanquish S remains one of the finest grand tourers of its era. **PERFORMANCE & DRIVETRAIN:** 6.0-Litre Naturally Aspirated V12 595 BHP 630 Nm Torque 0–62 mph in approximately 3.5 seconds Top Speed: 201 mph 8-Speed Touchtronic III Automatic Transmission Rear-Wheel Drive Sports Exhaust System Revised Suspension Calibration Revised Steering Calibration Electronic Stability Control Aston Martin Adaptive Damping Launch Control The Vanquish S's naturally aspirated V12 provides effortless performance with a beautifully progressive power delivery. With 595 BHP and 630 Nm, the S is capable of reaching 201 mph while retaining the effortless long-distance character expected of a flagship Aston Martin GT. **EXTERIOR SPECIFICATION:** Jet Black Paintwork Exterior Carbon Package Carbon Fibre Front Splitter Carbon Fibre Rear Diffuser Carbon Fibre Side Sills Carbon Fibre Bonnet Vents Carbon Fibre Roof Carbon Fibre Side Grilles Carbon Fibre Exterior Mirrors Black Vaned Front Grille Q Exterior Graphics Package in Yellow Window Surround Finisher in Gloss Black Black Mesh in Grilles Quad Sports Exhaust Tailpipes LED Daytime Running Lights Bi-Xenon Headlamps 10-Spoke Diamond Turned Gloss Black Alloy Wheels Carbon Ceramic Brakes Yellow Brake Callipers Front & Rear Parking Sensors Reversing Camera Electrically Adjustable & Heated Door Mirrors The Vanquish S retains the elegant proportions of the Vanquish while introducing a more purposeful aerodynamic treatment.
