Description

The Rolls-Royce Ghost represents the perfect expression of contemporary British luxury, combining the marque's legendary craftsmanship with effortless performance, exceptional refinement and understated elegance. Introduced as a more driver-focused interpretation of the Rolls-Royce philosophy, the Ghost brought a fresh dynamic character to the marque's range while retaining the extraordinary attention to detail, bespoke possibilities and sense of occasion for which Rolls-Royce is renowned. This 2017 example, finished in Diamond Black Metallic with a striking Satin Silver Bonnet and a beautifully appointed Cream interior, presents a particularly sophisticated and distinctive specification. The contrast between the deep metallic black bodywork and the satin silver bonnet creates an unmistakable presence, while the light-coloured cabin provides an elegant counterpoint to the exterior. Powered by Rolls-Royce's formidable 6.6-litre twin-turbocharged V12, the Ghost delivers virtually silent, effortless acceleration alongside the exceptional comfort expected of one of the world's foremost luxury saloons. PERFORMANCE & DRIVETRAIN: 6.6-Litre Twin-Turbocharged V12 570 PS / 563 BHP 780 Nm Torque 0–62 mph in approximately 4.9 seconds Top Speed: 155 mph (electronically limited) 8-Speed Automatic Transmission Rear-Wheel Drive Twin-Turbocharged V12 Engine Satellite-Aided Transmission Technology Effortless Low-Speed Torque Delivery Advanced Electronic Stability Control Double-Wishbone Front Suspension Self-Levelling Air Suspension The Ghost's twin-turbocharged V12 is engineered to deliver its performance with remarkable smoothness and near-silent composure. With substantial torque available low in the rev range, acceleration is effortless, allowing the car to glide forward with minimal effort from the driver. The eight-speed automatic transmission works seamlessly with the engine, reinforcing the Ghost's defining characteristic: extraordinary performance delivered without drama. EXTERIOR SPECIFICATION: Diamond Black Metallic Exterior Paintwork Contrasting Satin Silver Bonnet Rolls-Royce Signature Pantheon Grille Spirit of Ecstasy Bonnet Mascot Signature Rolls-Royce LED Lighting Chrome Exterior Detailing Polished Exhaust Finishers Satin Silver Alloy Wheels Electrically Adjustable and Heated Door Mirrors Front and Rear Parking Sensors Rear Parking Camera The combination of Diamond Black Metallic and the Matte Silver Bonnet gives this Ghost a distinctive, contemporary interpretation of traditional Rolls-Royce elegance. The rich black paintwork emphasises the car's long, sculpted body lines, while the contrasting bonnet introduces a subtle bespoke character. Together with the imposing Pantheon grille, upright Spirit of Ecstasy and coach doors, the exterior delivers the unmistakable presence expected of a Rolls-Royce flagship saloon. INTERIOR & LUXURY: Cream Leather Interior Hand-Finished Rolls-Royce Cabin Black Contrast Stitching RR Stitched on Headrests in Black Rear Entertainment Electrically Operated Panoramic Roof Cream Headlining Electrically Adjustable Front & Rear Seats Heated Front & Rear Seats Rear Seat Headrest Pillows Seat Memory Function Piano Black Interior Finishing Rolls-Royce Bespoke Clock Lambswool Floor Mats Ambient Interior Lighting Automatic Four-Zone Climate Control Rear Privacy Glass Power-Assisted Doors Multifunction Steering Wheel Satellite Navigation Premium Rolls-Royce Audio System Bluetooth Telephone Connectivity Front and Rear Parking Assistance The Cream interior creates a beautifully light and welcoming cabin, contrasting elegantly with the Diamond Black exterior. Rolls-Royce's attention to detail is evident throughout, from the quality of the leather and the precision of the trim to the carefully considered seating position and exceptionally refined driving environment. Whether travelling in the front or being chauffeured in the rear, the Ghost is designed to make every journey feel effortless.

CHASSIS & ENGINEERING: The Ghost was engineered around a sophisticated chassis designed to combine reassuring body control with the extraordinary ride comfort expected of a Rolls-Royce. Its advanced air suspension continuously adapts to road conditions, helping the car maintain its composure over uneven surfaces while preserving the smooth, almost floating ride quality that defines the marque. Advanced Aluminium and Steel Body Structure Double-Wishbone Front Suspension Multi-Link Rear Suspension Self-Levelling Air Suspension Adaptive Electronic Damping Satellite-Aided Transmission Rear-Wheel-Drive Configuration High-Performance Ventilated Disc Brakes Electronic Stability Control Anti-Lock Braking System Speed-Sensitive Power-Assisted Steering Advanced Sound Insulation Rolls-Royce Ride-Quality Engineering The Ghost's chassis engineering is focused on keeping the occupants isolated from the imperfections of the road while maintaining a reassuring sense of control. Combined with the smooth V12 and carefully calibrated automatic transmission, it delivers a driving experience that is exceptionally refined without feeling disconnected from the road.
