Previous Owners	6
Registration	CA13RPW

Description

The Ferrari California 30 represented a significant evolution of Ferrari's front-engined V8 grand touring convertible, combining open-top usability with genuine Ferrari performance. The California 30 introduced a more powerful engine, reduced weight and sharper chassis dynamics, creating a noticeably more focused car while retaining the versatility that made the California so appealing. This 2013 example is finished in the highly desirable Nero Daytona, giving the car a particularly elegant and understated appearance. Equipped with the Speciale Handling Package, extensive carbon fibre interior trim and a carbon fibre steering wheel with integrated LED shift lights, this California 30 combines Ferrari's traditional craftsmanship with a strong specification. The car has also been upgraded with a discreet Pioneer head unit incorporating Apple CarPlay and Android Auto, providing modern connectivity while retaining the character of the original Ferrari interior. PERFORMANCE & DRIVETRAIN: 4.3-Litre Naturally Aspirated V8 490 PS / 483 BHP 505 Nm Torque 0–62 mph in approximately 3.9 seconds Top Speed: 194 mph 7-Speed F1 Dual-Clutch Transmission Rear-Wheel Drive F1-Trac Traction Control Electronic Differential Manettino Driver Control System Magnetorheological Suspension Speciale Handling Package High-Performance Carbon Ceramic Brakes The California 30's naturally aspirated V8 delivers the unmistakable character associated with Ferrari's high-revving engines, while the reduced weight and additional power over the standard California give the car a more responsive and engaging character. EXTERIOR SPECIFICATION: Nero Daytona Metallic Paintwork Retractable Folding Hard-Top Twin Sports Exhaust Scuderia Ferrari Side Shields Lightweight Alloy Wheels Carbon Ceramic Brakes Rosso Brake Callipers Electrically Adjustable & Heated Door Mirrors Front & Rear Parking Sensors The Nero Daytona Paintwork gives the California 30 an especially sophisticated appearance, highlighting the car's flowing lines and elegant proportions. With the roof lowered, the California transforms into a dramatic open-top Ferrari while retaining its ability to cover long distances in comfort. INTERIOR & LUXURY: Nero Leather Interior Carbon Fibre Interior Package Carbon Fibre Steering Wheel with Integrated LED Shift Lights Electrically Adjustable Seats Heated Seats Pioneer Head Unit with Apple CarPlay & Android Auto Bluetooth Connectivity Premium Audio System Reversing Camera Front & Rear Parking Sensors The cabin combines traditional Ferrari craftsmanship with a more contemporary specification. The extensive carbon fibre trim and carbon steering wheel add a sporting edge, while the upgraded Pioneer infotainment system provides modern smartphone integration through Apple CarPlay and Android Auto. CHASSIS & ENGINEERING: The California 30 was developed to provide a sharper and more engaging driving experience than the original California, with Ferrari reducing weight while increasing power and introducing revised chassis calibration. Lightweight Aluminium Spaceframe Front-Mounted Naturally Aspirated V8 Retractable Hard-Top Speciale Handling Package Revised Suspension Calibration Magnetorheological Dampers F1-Trac Traction Control Electronic Differential High-Performance Braking System Carbon Ceramic Brakes Ferrari Manettino Driving Modes Rear-Wheel Drive The Speciale Handling Package further enhances the California 30's dynamic character, providing a more focused chassis while retaining the comfort and usability expected from Ferrari's grand touring models. TECHNOLOGY & EQUIPMENT: Pioneer Head Unit Apple CarPlay & Android Auto Satellite Navigation Bluetooth Connectivity Premium Audio System Reversing Camera Electric Seats Heated Seats Dual-Zone Climate Control Cruise Control Electric Windows Central Locking Alarm & Immobiliser ADDITIONAL DETAILS: Year: 2013 Model: Ferrari California 30 Engine: 4.3-Litre Naturally Aspirated

V8 Mileage: 18,000 Miles Owners: 6 Previous Service History: Comprehensive Ferrari Service History Condition: Exceptional Price: £74,975 The Ferrari California 30 offers a compelling combination of Ferrari performance, open-top driving and genuine everyday usability. Its naturally aspirated 4.3-litre V8, 490 PS output, 7-speed dual-clutch transmission and rear-wheel drive provide a highly engaging driving experience, while the retractable hard-top makes the car equally suited to relaxed grand touring. Finished in the elegant Nero Daytona, this example is particularly well specified with the Speciale Handling Package, carbon fibre interior trim and carbon fibre steering wheel with integrated LED shift lights. The addition of a modern Pioneer head unit with Apple CarPlay and Android Auto also brings contemporary usability to the cabin. With its combination of naturally aspirated Ferrari V8 performance, retractable hard-top, Speciale Handling Package and strong specification, the California 30 remains one of the most versatile and enjoyable modern Ferrari GTs.
