Previous Owners	2
Registration	CU59PLO

Description

The Aston Martin V8 Vantage is widely regarded as one of the most beautifully proportioned sports cars of the modern era, combining timeless British design with a characterful naturally aspirated V8 and a beautifully crafted interior. Introduced as a more compact and sporting interpretation of the Aston Martin philosophy, the V8 Vantage quickly established itself as a genuine driver's car, offering an engaging alternative to its larger V12-powered stablemates. This 2009 example, equipped with the desirable Sportshift automated manual transmission, represents the original 4.7-litre V8 Vantage in its more powerful revised form. Benefiting from increased engine capacity and improved performance over the earlier 4.3-litre cars, the 4.7-litre model delivers a more muscular driving experience while retaining the distinctive soundtrack and elegant proportions that define the Vantage. With its front-mid-engined layout, rear-wheel drive and unmistakable Aston Martin styling, it remains a particularly appealing modern British sports car. PERFORMANCE & DRIVETRAIN: 4.7-Litre Naturally Aspirated V8 426 PS / 420 BHP 470 Nm Torque 0–62 mph in approximately 4.9 seconds Top Speed: 180 mph 6-Speed Sportshift Automated Manual Transmission Rear-Wheel Drive Front-Mid-Engine Configuration Dry-Sump Lubrication System Electronic Throttle Control Limited-Slip Differential Sports Exhaust System Dynamic Stability Control Sport Mode The naturally aspirated 4.7-litre V8 is central to the Vantage's appeal, delivering its power with a distinctive soundtrack and immediate throttle response. The Sportshift transmission provides automated gear changes while retaining the mechanical character of a conventional manual gearbox. Combined with the front-mid-engine layout and rear-wheel drive, the Vantage offers an involving and rewarding driving experience. EXTERIOR SPECIFICATION: Hardly Green Metallic Paintwork Bright Aston Martin Front Grille Bright Window Surround Finishers Silver Lightweight Alloy Wheels High-Performance Braking System Front Parking Sensors Grey Painted Brake Callipers Electrically Adjustable and Heated Door Mirrors The V8 Vantage's design is a masterclass in understated British sports-car styling. Its long bonnet, compact rear proportions and beautifully sculpted aluminium bodywork create an elegant yet purposeful appearance. The signature front grille, side strakes and muscular rear haunches give the car an unmistakable Aston Martin identity, while its timeless proportions have ensured the design remains every bit as appealing today. INTERIOR & LUXURY: Parliament Green / Moon Shadow Leather Upholstery Electrically Adjustable Sports Seats Heated Seats Satellite Navigation Seatbelts - Flint Headlining in Moon Shadow Alcantara Anodised Aluminium Sill Plaques with AM Wings Bluetooth Telephone Preparation Cruise Control Aston Martin Audio System Automatic Climate Control The Vantage's cabin combines traditional British craftsmanship with a distinctly sporting atmosphere. Beautifully finished leather, carefully considered detailing and the iconic glass ECU ignition key create a sense of occasion every time the car is started. The driver-focused cockpit and supportive sports seats make it an enjoyable place to spend time, whether on a spirited country-road drive or a longer journey. CHASSIS & ENGINEERING: The V8 Vantage was engineered around a sophisticated bonded aluminium structure, providing an exceptionally rigid platform for its front-mid-mounted V8 engine. Its transaxle transmission arrangement helps achieve a near 50:50 weight distribution, contributing to the balanced handling characteristics that have become a defining feature of the model. Bonded Aluminium VH Platform Front-Mid-Engine Configuration Rear-Mounted Transaxle Gearbox Near 50:50 Weight Distribution Double-Wishbone Front and Rear Suspension Independent Suspension Limited-Slip Differential Rear-Wheel-Drive Configuration High-Performance Ventilated Disc Brakes Electronic Stability Control

Dynamic Stability Control Speed-Sensitive Power Steering Sport Mode Chassis Calibration The combination of the aluminium architecture, rear-mounted transaxle and carefully balanced weight distribution gives the Vantage its distinctive handling character. Its steering is precise, its chassis communicative and its rear-wheel-drive configuration provides an engaging connection between driver and road. It is a sports car engineered around balance and enjoyment rather than simply outright performance figures. TECHNOLOGY & EQUIPMENT: Aston Martin Audio System Bluetooth Telephone Connectivity Sportshift Automated Manual Transmission Sport Mode Dynamic Stability Control Automatic Climate Control Electrically Adjustable Sports Seats Heated Seats Xenon Headlights Cruise Control Multifunction Steering Wheel Electric Windows Electrically Adjustable Mirrors Remote Central Locking Alarm and Immobiliser ADDITIONAL DETAILS: Year: 2009 Model: Aston Martin V8 Vantage Coupé Engine: 4.7-Litre Naturally Aspirated V8 Mileage: 25,500 Miles Owners: 2 Service History: Excellent Service History Condition: Amazing Condition Price: £34,975 The Aston Martin V8 Vantage remains one of the most appealing modern British sports cars, combining elegant styling, a beautifully engineered aluminium chassis and the unmistakable character of a naturally aspirated V8. Its compact proportions and balanced rear-wheel-drive layout make it a particularly rewarding car to drive, while the craftsmanship and refinement of the cabin provide the luxury expected of an Aston Martin. This 2009 4.7-litre example benefits from the revised engine introduced for the later V8 Vantage, offering increased capacity, improved torque and enhanced performance over the original 4.3-litre model. Equipped with the Sportshift transmission, it provides an alternative interpretation of the traditional manual driving experience while retaining the mechanical involvement associated with the Vantage. With its timeless design, naturally aspirated V8 soundtrack and beautifully balanced chassis, the V8 Vantage represents a particularly attractive proposition for enthusiasts seeking a distinctive modern classic from Aston Martin.
