Exterior Colour	Seal Grey
Previous Owners	6
Registration	MM52DVZ

#### Description

##### 996 Carrera 4S - The New Generation

The 996 changed the DNA of the 911. This new 911 was the bench mark for future generations. The air-cooled flat 6 in the previous generations was swapped for a more powerful and freer revving water-cooled engine in the 996. This decision has set the tone for the last 22 years of 911 models, from 1999 to today. The 996 recently has had a resurgence thanks to a following that has grown through online influence from the likes of @tge\_ldmn and @seenthroughglass both owning different iterations of the 996 generation cars.

The 996 features a 3.6 litre flat 6 engine producing 320bhp along with a manual gear box and 4 wheel drive. The difference between the normal 2S and 4S is that the 4S features the upgraded turbo suspension and body styling with the flared arches and re-designed front bumper. The 996 911 Carrera 4S is now available at the home of iconic automobiles. This car also comes with 18 Inch Turbo Look II Alloys, Alarm System, Climate Control, CD Storage, Electric Slide and Tilt Sunroof, Front Centre Console, Gear Lever and Handbrake in Aluminium, Headlight Pack including Cleaning System, On Board Computer, Porsche CDR 23 Radio, Porsche Sound Package with Amplifier, PSM Porsche Stability Management, Rear Wiper, Top Tint Windscreen, UK Supplied, Great Service History £34,975.
